OUR MISSION & WHO WE ARE

Delta Upsilon's Mission is *Building Better Men*

We will accomplish this by focusing on our non-secret heritage and Four Founding Principles:

The Promotion of Friendship
The Development of Character
The Advancement of Justice
The Diffusion of Liberal Culture

Established in 1858, Delta Upsilon was the third fraternity at Rutgers and thrived on campus for 133 years before closing in 1991.

On May 1st, 2010 the chapter was officially reestablished and after only 6 years, we are 70+ brothers strong. The brothers of Delta Upsilon are looking for motivated, intellectual, and outgoing young men who are looking to develop leadership skills, serve their community, make great friends, and enjoy the best social events Rutgers has to offer, without any secret rituals or hazing.
